TCDAC 2015: INDONESIA GOT TWO MEDALS!

As one of the CSR activities of Toyota Indonesia, TOYOTA CAR DREAM ART CONTEST 2015 took place in Japan where Indonesia succeed to send two representatives. After competing among 875,000 entries from 81 countries, representatives from Indonesia to Category A (age <7 years), Amanda Dewi Nasya, and Category B (ages 8-11 years), Kiddy Fastabiul Ullum, finally won the Bronze Medal in the annual race Toyota Dream Car Art Contest (TDCAC) 2015 in Tokyo, Japan August 25, 2015 last.

Indonesian representatives were chosen after they were selected from 2,626 entries from all over Indonesia in the Toyota Dream Car Art competition held nationwide. The annual contest which organized by Toyota Motor Corporation this year was very special, because in addition to members of judges consisting of experts in the art and science of automotive, involved also the President of Toyota Motor Corporation (TMC), Akio Toyoda. In addition, special on this year, the engineers at TMC challenged to create a dummy of car images made by Minhal Adnan Sami (9 yrs of UAE) who became the Champion of Engineering Inspiration Award Category.
